

XTM PROTECTOR LINE

NEW FOR 2020

XTM PROTECTOR LINE

NEW FOR 2020

VISCO-ELASTIC FOAM

SHOCK ABSORBING

PRE CURVED SHAPE

VENTILATED

HIGHLY FLEXIBLE

LIGHTWEIGHT

HIGHTECH MADE FOR RIDING

Due to its specialized properties, our protectors offer extreme safety while giving you the highest comfort possible:

The pads are moulded out of viscoelastic foam which is ultra flexible to adapt to every move but also possesses outstanding shock absorption capabilities in case of a high velocity impact. The anatomically pre-curved shape and ventilation regulated climate increase the wearing comfort even further.
